☐ ENCLOSED PLEASE FIND _____ POSTDATED CHEQUES FOR A TOTAL GIFT OF $_____

Gifts to NSCAD University support the next generation of creative thinkers. They allow the university to transform the aspirations and values of our students by offering an exceptional art and design education as well as providing financial support to students through bursaries and scholarships, maintaining and improving facilities, and keeping up to date with specialized equipment. Annual undesignated gifts, in particular, give the university flexibility to allocate funds to areas of greatest need. Thank you!
