

NSCAD University
Policy Statement – Dogs, Pets and Other Animals

With the exception of “seeing eye dogs” under the care and custody of their owners, as of September 1, 1994 it is College policy not to permit dogs, pets and other animals on the College premises.

Any infringement of this policy should be brought to the attention of the Director of Facilities Management who will explain the College policy to the individual(s) concerned.

Any subsequent infractions by those made aware of the policy will be reported to the President.
