

Hedi Kyle – The Art of the Fold Workshop

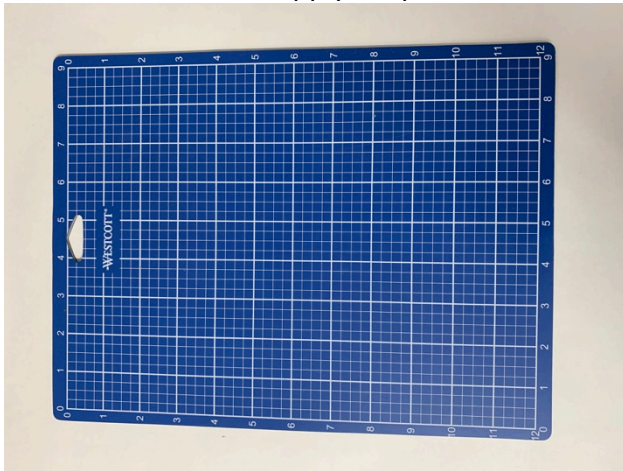

June 14-June 16, 2019

Renowned book artist Hedi Kyle teaches a two and a half day workshop featuring book and folded paper structures from her recently released book *The Art of the Fold*. Hedi will show us step-by-step how to use folding techniques to create a selection of her most popular inventions.

Student Material list

1. A self-healing cutting mat (with grid is preferable).

Available at NSCAD Supply shop or Deserres.

2. Bonefolder

Available at NSCAD Supply Shop

3. Exacto knife and scalpel knives (bring spare blades is suggested but not necessary).

Available at NSCAD Supply Shop, Deserres, or any hardware store.

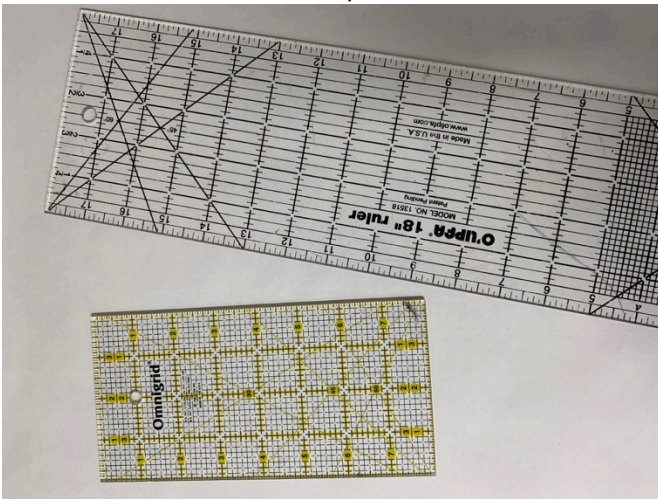

4. An Awl.

Available at NSCAD Supply Shop.

5. Scissors (anything you have will do).

6. See-through ruler with a grid (this is sometimes known as a quilting ruler and can be most commonly found in sewing stores/departments) Michael's has a variety of sizes that are a reasonable price if you sign up for their emails and use a 40% off coupon.

7. Pencil (mechanical or otherwise) and eraser.

8. Notebook, or any good book for taking notes. Hedi will be providing handouts, but it'd be best to have something to take notes with as well.

All other materials (paper included) will be provided with the workshop.
