

## NSCAD University

### Call for Submissions and Applications

### June 4, 2020

#### **Intern from Home**

Are you interested in pursuing internship opportunities this summer? Visit [Intern from home](#) for intern postings from across North America.

#### **Wattpad internship**

Wattpad has offered an opportunity for a NSCAD student intern to join their Experience Design team to help connect clients through stories.

[Wattpad](#) is a global multiplatform entertainment company. Every month 80 million people around the world spend over 23 billion minutes on Wattpad to share and discover stories. This internship will focus on supporting research and design activities to uncover user problems and validate product experience design solutions that will sustain reading engagement while growing the value of display advertising shown to users.

Wattpad will provide mentorship and supervision of the NSCAD students by working under the guidance of a Senior Product Experience Designer, the Wattpad Ads Squad, and the Experience Design Department. This opportunity will provide NSCAD University students with capacity development and professional experience in product experience design, during the June - August 2020 period.

For more information, email [Christina Warren](#), Manager, Financial Aid and Student Counselling, NSCAD University.

#### **TEALEAVES internship**

TEALEAVES, Vancouver (working remotely to align with enhanced health & safety measures) is a master tea blender that has worked with Five-Star hotels and Michelin-Star Chefs throughout the course of their 25+ years in operation. The company is hiring a Creative Intern in Visual Design and Art Direction (Working on Graphic Design, Photography, 3D Animation/Rendering) and encourages NSCAD students to apply.

Designers are expected to go beyond aesthetics of design and focus on the real implications and potential impact of their work on a real, functioning business. The office is an interdisciplinary one where designers work very closely with all departments like Marketing and Brand, Business Development and Sales and Strategy. This opportunity pushes designers to think extremely critically about all of their decisions in order to reach a tangible, common project goal.

A complete job description is available [here](#).

To apply, email your application, portfolio and/or a PDF sample of five pieces of work to:

Ezgi Emiroglu

Associate Director of Strategy

### **Art Bikers – Outreach Community Art Facilitator, Wonder’neath Art Society**

Are you curious about exploring and adapting creative art programming outdoors in line with public health guidelines this summer? Art Bikers is a mobile community art program based in Halifax. For 13 seasons the Art Bikers team of artists has travelled by bicycle and trailer to green spaces throughout HRM to engage children, youth and others in free community art activities. This year's program acknowledges challenges and changes in global pandemic times and seeks to share artistic resources and to develop meaningful programming.

A successful applicant will be a safety-conscious, responsive, and collaborative team contributor. This program is run through Wonder’neath Art Society-a charitable artist-run organization that encourages and promotes art as a tool for expression, connection and social transformation by bringing professional artists and local residents together in dynamic, creative explorations.

#### **Art Biker Qualifications:**

- Highly creative, innovative and flexible with strong visual arts, craft or theatre skills
- Experience engaging children, newcomers, and seniors
- Confident and experienced cyclist in good physical condition and comfortable biking in traffic
- Strong collaboration and problem-solving skills as part of a team
- Ability to work from home and in a studio environment while practicing social distancing guidelines.
- Available for the entire season
- Able to work flexible hours, including weekends and evenings

Please note, to be eligible for this position funded through the Nova Scotia Student Summer Skills Incentive program (SKILL) Program candidates must be: 1. entering or continuing full-time post-secondary studies in the fall following the summer work term, and 2. be a permanent resident of the province or live in Nova Scotia for at least six months prior to the work term.

Full job description available [here](#).

To apply, Please send your current resume and a cover letter, including contact information for three references, ideally in a single PDF to [artbikers@gmail.com](mailto:artbikers@gmail.com) by the end of the day on Tuesday, June 9, 2020.

### **Epilepsy Association of the Maritimes**

Every year the Epilepsy Association of the Maritimes offers scholarships and bursaries to students living with epilepsy. Full-time students who are pursuing post-secondary education in a recognized program are eligible to apply. Three awards are granted annually.

- \$1000 Di Setchell Memorial Bursary
- \$750 James Russell Kline Memorial Bursary
- \$1000 EAM Memorial Scholarship

Scholarship applications and criteria are available [here](#) and are accepted until mid-June.
